The must-have accompanying as today's criminals: A Yankees cap

By 'Duk

OK, so you might have let your guard down approximately people donning Yankees gear when we recently reported that today's gang members are preferring to dress the hats of the Reds and Dodgers, nike nfl jerseys 2011.

Still, you should apparently consider the threat level of those rocking the interlocking NY a vi designed along Tiffany & Co.! to be by its customary lofty

That's as the eminent fear-mongering paper of log (the New York Times, nike nfl jersey!) has an story among Thursday's edition that insinuates it's maybe a agreeable fantasy to put your wallet in your front pocket when someone wearing a Yankees cap comes walking along

Yes, nike football cleats, the same lids that Derek Jeter (notes) and Jay-Z sport have replaced the ski mask as the ceiling accessories as while ne'er-do-welling New Yorkers are out act their dastardly deeds, custom nfl jersey!

So suggests the paper

From the New York Times:

Since 2000, how to make a football jersey, more than 100 folk who have been suspects or persons of interest among connection with serious crimes in New York City wore Yankees apparel along the duration of the crimes or by the time of their capture alternatively arraignment. The tally is based aboard a reiterate of New York Police Department news releases, surveillance video and images of robberies and other crimes as well as police sketches and newspaper articles that depicted suspects' clothing No other sports crew comes approach

Now, far be it from me to ask someone a question I'm constantly asked myself, merely why is this news Over the past 15-20 years the New York Yankees cap has arguably chanced the maximum ubiquitous sportswear item that's worn aboard an everyday basis, even along people who couldn't differentiate Alex Rodriguez (notes) from Curtis Granderson (notes). That applies even more so among the actual Big Apple itself. The NYT should have equitable went ahead and looked if these criminals were likewise wearing things that are equitable as common. Like socks or hooded sweatshirts alternatively Levi jeans alternatively whatever, customize nfl jersey.

Yeah, people probably do a lot of wrong things meantime wearing a Yankees cap, barely there are others who are holding doors open as age ladies, giving up their seats to pregnant women aboard the metro and paying their taxes aboard period What I'm saying is 100 criminals out of a million hats sold is rather negligible (Sample size, folk Sample size!)

That's never to mention that I don't enjoy pointing out while there's a piece of Yankees gear involved among a publicized guilt There was the companion who wore a Yankees cap to an heist, afterward a Red Sox an to anew That fellow who dressed up favor Darth Vader and robbed that bank surrounded Long Island? He was wearing a Yankees backpack.

And lest we forget the shadiest character of all: The man who broke always of Cleveland.

Anyway, I'm never sure what we're assumed to take away from that NYT anecdote I linked aboard I think it was to stock up aboard mace ahead heading to Yankee Stadium as the playoffs, merely I think I'm going to be just fine. We're all going to be just fine.
