Welcome to the bigs,2011 NBA All Star Jerseys,customize hockey jersey, rook,kids football jerseys,custom basketball jerseys!: Adam Dunn flattens Carlos Santana There are some who believe that managers don't really impact a team during the course of the season. They believe that Manager A is no different than Manager B. They think anyone with half a brain can write a lineup and bring the closer in for the ninth inning.

I am not one of those people.

Now,customized nba jersey, I actually think that most (not all) managers are pretty good at managing the game. Among the hundreds of decisions they need to make each day,nfl and nike,Giants Nike NFL Jerseys, many of them are basic baseball fundamentals. They all know when to bunt or hit and run. They know when to play the infield in and when to pitch out to control the running game.

However,blank basketball jersey, managers can differentiate themselves by how they handle the pitching staff. Knowing when to yank the starter and when to leave him in is one of the most important decisions a manager has to make each day. The better managers can build a bullpen. They know which matchups will work and which ones won't and make decisions to set up their pitchers to succeed.

It's an even bigger problem if that runner stands 6-foot-6,duke basketball jerseys, 287 pounds.

Dunn left Santana looking like roadkill at Progressive Field as the two collided at the end of Michael Morse's(notes) RBI single in the second inning of Washington's 9-4 win.

"It was a freak play," Dunn told the Associated Press after the game. "He wasn't looking at me and I wasn't looking at him."

Playing in only the third game of his big league career,nike nfl 2012, Cleveland's Carlos Santana(notes) learned both lessons the hard way as Washington's Adam Dunn(notes) accidentally proved on Sunday that no two objects may share the same space.

SB Nation has the animated GIF,nfl jersey sizing,customize nike football jersey, and because it was a play more befitting Browns and Redskins than Nationals and Indians,mesh basketball jersey, I'd recommend watching it over and over while narrating it like John Madden.

It's a problem for a catcher if he's standing on home plate while a runner comes down the line uncontested.

Because Santana weighs only 190 pounds,nba jersey sizing,2011 nike nfl jerseys, the end result looked a lot more violent than Dunn intended. The Nats veteran made sure Santana was OK after the rookie catcher asked for the license plate of the truck that hit him,sport jerseys cheap, and there was no ill will or retribution from the Indians later in the game. Santana himself wore a slight smile after the play,michigan football jersey,design a baseball jersey,reebok football jersey, as if to wonder how he made such a silly mistake.
